I understand that in order for a wine to be submitted for CQA approval, there are certain parameters it must meet. All fruit for CQA wines are 100% Virginia grown and made from 100% grapes. Any commercial concentrates are prohibited; enological additives are permitted such as per TTB approved products. By signing below, I am giving permission to share my wines results with CQA staff.

Analysis Fee with complimentary shipping is \$170 per wine submitted <i>(EX: \$170 x 5 wines submitted = \$850)</i>	\$
Total Due	= \$

Note: CQA labeling cannot be affixed to the wine bottle until the wine has received CQA approval. Any winery whose wine is found to have CQA labeling & has not received CQA approval may be suspended from the program for two years. Wines that receive complimentary analyses will still be subject to the marketing fee to be considered CQA-approved.
